

ITALIAN CLASSES IN BOLOGNA

At the Academy all classes are in Italian, English could help with some teachers, but Italian is very important for your experience in Bologna. For this reason, the Academy supports Italian Learning for the Erasmus/international incoming students.

We warmly suggest to attend Italian classes!

Our Fine Arts Academy doesn't organize any Italian language courses at the Academy, but invites the guest students to attend the courses offered by accredited Schools. It's possible to attend Italian courses for foreigners in many Schools in Bologna.

It's recommended:

Scuola di Italiano, Società Dante Alighieri-*Corso estensivo di italiano* (Extensive Italian course)

The Academy co-funds the student attendance for these levels.
