

ITALIAN CLASSES IN BOLOGNA

All classes at the Academy are in Italian, English could help with some teachers, but Italian is very important for your experience in Bologna. For this reason, the Academy supports Italian Learning for the Erasmus/international incoming students.

We warmly suggest to attend Italian classes!

Our Academy of Fine Arts doesn't organize any Italian language courses at the academy, but invite to attend the courses offered by accredited Schools and co-fund the student enrolment. It's possible to attend Italian courses for foreigners in many Schools in Bologna.

We recommend:

Scuola di Italiano, Società Dante Alighieri.

Piazza San Giovanni in Monte 1A, Bologna (on the slope going to the Square)

At *Società Dante Alighieri*, Italian language courses for foreigners are divided into 6 levels, according to the Common European Framework of Reference for language skills (Common European Framework of Reference for Languages -CEFR): Basic level (A1 and A2) - Intermediate level (B1 and B2) - Advanced level (C1 and C2)
